

Chicopee High School

November, 2009

820 Front Street, Chicopee, MA 01020 • Roland R. Joyal, Jr., Principal

CHS Boys Soccer Community Service Project

Thirty-two Chicopee High School Boy Soccer players participated, on a volunteer basis, in the five-mile Rays of Hope walk on Sunday, October 25th. The Boys Soccer team raised more than \$1,885.00 this year. During the past four years of involvement with the Rays of Hope, the members of the Boys Soccer program have raised more than \$5,400.00. The members of the Boys Soccer program appreciate your continued support.

Chicopee High School Mission Statement

The mission of Chicopee High School is to provide an environment that empowers our students to achieve excellence through a rigorous academic program that promotes critical thinking and responsible citizenship. This will be accomplished in a respectful, safe and diverse environment that gives equal opportunity for all.

Chicopee High School vs. Holyoke High School

Thursday, November 26, 2009

Szot Park at 10:30 A.M.

Admission: \$5.00 - Adults & Students

AFJROTC NEWS!

We are beginning the 2009-2010 Pioneer Valley Inter-Service Drill Competition League of Western Massachusetts season for the Air Force Junior Reserve Officer Training Corps here at Chicopee High School. Our league consists of the following competing schools: Putnam Vocational High School, Dean Technical High School, Springfield Science and Technology High School and South Community High School from Worcester. Our formal competition program will begin in November and conclude in February 2010. There will be a monthly competition hosted by a different school each month during the time frame noted above. The drill team will have all their practices here at the high school either outside (weather permitting) or inside the gym (based on gym availability). Practice schedule for the season will be Tuesday, Wednesday and Thursday after school beginning at 2:15-3:00 sharp, precluding any school meetings that are normally held on Tuesday after school. Our last competition in March will be hosted by Chicopee High School, scheduled for Friday, February 26, 2010.

Competition Schedule

Dean Tech: Friday, November 13

South Community HS: Friday, December 4

Springfield Science and Technology: Friday, January 22

Putnam Vocational HS: Friday, February 5

Chicopee HS: Friday, February 26

Any questions regarding the AFJROTC Drill Team contact MSgt Pete Rollend at, 594-3437.

Lorraine's Soup Kitchen

Emily Corriveau and Danielle Laurin

For the third year in a row, members of the Class of 2010 have volunteered their time to work at Lorraine's Soup Kitchen. These senior class members organized an "assembly line" to serve meals and dessert to over 130 adults and children on September 30th. Students also cleaned tables, and scrubbed some pretty dirty pots and pans – all with smiles! This is what "Pacer Pride" is all about.

Lucas Navarro and Stephanie Kos

Holyoke Police Department at CHS

Lieutenant Denise Duguay from the Holyoke Police Department was invited to be a presenter in Miss Coletta's Forensic classes at CHS. She is a 20 year veteran presently in domestic abuse, but also teaches forensic classes and workshops at Springfield area colleges. Her talk included discussion of physical evidence identifications, collections, packaging and glass fractures from bullets, etc.

The picture shows from left to right; Seniors, Andrew Herd, Janea West, Emily Kozikowski and Nicole Perez.

Future Nurse's Club

The Future Nurse's Club will be collecting donations of winter clothing for the residents of the Ronald McDonald House in Springfield during the months of October and November. A variety of gently used clothing would be appreciated, including coats, scarves, gloves and hats. Donations may be dropped off at the CHS clinic. Please help us to keep people warm this winter. Thank you.

AP Biology's field trip

On Friday October 2, 2009 Ms Peters and Ms Lukasik took the AP Biology class for the third year in a row to a Genetics Update Conference. This year it was held at UMASS Amhurst. Every year Sam Rhine, Ph.D. gives a lecture to high school students regarding the latest information in the field of Genetics. Sometimes the material that he speaks about has only been published for a few weeks. This year Dr. Rhine spoke of stem cells, cloning and a variety of other "cutting edge" genetic topics in a very informative and interesting conference.

Gray Team Science News

We begin the freshmen year studying how to measure and calculate motion. Using skills they learned in math, students apply algebraic formulas to solve for problems involving speed, velocity, and acceleration. Students use ramps and photogate timers to collect data related to velocity and acceleration.

CHS vs. CCHS faculty Golf Tournament

Frank Szydlo (CCHS), Pete Rollend and Bobbi Coletta (CHS) organized the first ever CHS vs CCHS faculty golf tournament on September 25 at Chicopee Country Club. There were 2 foursomes from each school playing best ball for 9 hole round. The two schools tied for the win with 4 under, but CHS took the trophy by checking hole for hole. We are hoping now that this is an annual event that gets larger each year. The trophy is proudly displayed this year at CHS!

STUDENT VS. FACULTY BASKETBALL GAME

Sponsored by the

CHS International Club

Thursday, November 12, 2009

CHS gym 6:00 p.m.

Admission: \$4.00 / \$3.00 with a canned good
